Activities

In addition to natural tourism activities, a considerable number of cultural and sport activities proceed in Albania. Activities of that kind can call the attention of a certain group of visitors, which are attracted from culture and sports. Hereby this brochure we are offering the calendar of these activities, planned for 2007. Anyway, we want to confirm that a considerable number of those activities have periodical character. By the way they proceed every year. The Tourists whom are going to chose Albania as a country for their vacations will enjoy its beaches, its mountains and its museum cities as well as the possibility to attend the activities of that kind.
